

Sustainable capability. Better decisions.

FINBE ACADEMY

Knowledge becomes action

KTV expertise for executives, supervisors, HR, finance professionals and organisational developers.

Learn. Apply. Lead.

Put the learning into practice.

KTV IN PRACTICE

1 Shared language

2 Situation picture

3 Decisions

4 Impact

Training turns KTV into practical management expertise

Learning is connected to the participant's role, decision-making and organisational development.

FOR WHOM

Executives, supervisors, HR, finance professionals and organisational developers.

WHAT

KTV concepts, metrics and operating models explained clearly and applied to one's own work.

WHY

So that information becomes a shared situation picture, justified decisions and measurable actions.

AFTER THE COURSE, THE PARTICIPANT CAN

- recognise essential KTV phenomena and discuss them using shared concepts
- combine people, operational and financial information to support decisions
- turn observations into assigned and measurable development actions
- strengthen sustainable performance, organisational learning and impact

FinBe Academy helps put KTV thinking into practice - in one's own role and across the organisation.
